Fax— 732-238-5590

GENERAL DESCRIPTION: ODGR is a natural, bio-compatible granular treatment product containing a specific blend of odor neutralizers, organic botanicals and emulsifying agents. ODGR is effective against waste related odors, typically derivatives of sulfur and ammonia. ODGR contains a highly effective odor neutralization system to address this class of odors and convert them into odor free, stable, non-harmful compounds. ODGR alters odor causing molecules and selectively reacts with malodors. ODGR is a naturally formulated base infused with counteractants. It is safe, effective and **biodegradable**. No power or special equipment are required for a safe, effective solution to your odor problems. Humidity and moisture have no adverse effects on the functionality of the ODGR.

PHYSICAL PROPERTIES:

Chemical Composition. Natural botanicals,
neutralizing polymers
fragrance oils on a granular
clay base

Appearance Granular
pH of 1% solution 7.0
Effect Immediate
Stability 1 Year @ Ambient Temperature
Dispersability EXCELLENT
Biodegradable Yes
Odor Fragrance, Pleasant

DIRECTIONS FOR USE: ODGR is a free flowing granule that is easily applied to any surface. It is safe and convenient and requires no additional equipment to obtain odor control. Just apply liberally to the odor emitting surface. No spills to worry about.

HANDLING PRECAUTIONS:

CAUTION:

KEEP OUT OF REACH OF CHILDREN.

Contact with skin and eyes may cause irritation. Harmful if swallowed. Flood with water if splashed in eyes. Flush with water for 15 minutes and consult physician immediately. If ingested, drink large amounts of milk, milk of magnesia or gelatin, or if these are not available, drink large amounts of water. **DO NOT** induce vomiting. Obtain prompt medical attention.
