## GENERAL DESCRIPTION:

SL-1000 is a naturally derived, concentrated odor control treatment, which is biologically engineered through micro vaporization to neutralize, absorb and eliminate malodors associated with municipal and industrial garbage, composts, sewage and sludge. SL-1000 is highly effective at low use dilutions offering optimum performance and minimal use cost. SL-1000 is a unique formula of botanical extract, natural oils and emulsifiers; all ingredients have "GRAS" status, "generally recognized as safe." When properly diluted for the specific application, SL-1000 is very effective and completely safe for its intended uses. SL-1000 is biodegradable, non-hazardous and non-flammable. It contains proprietary inhibitors and dispersing agents for safe, effective use with NCM Odor Control systems.

## PROPERTIES:

Chemical composition . . . . . Essential Oils &  
Botanicals, Emulsifiers and Stabilizers,  
proprietary neutralizer, fragrance.  
Appearance . . . . . Low viscosity liquid  
pH . . . . . 6.5 - 7.0  
Specific Gravity . . . . . 1.012 (8.4 lbs/gallon)  
Foam . . . . . Moderate, fast breaking  
Cloud Point . . . . . 125°F  
Freeze Point . . . . . 20°F  
Odor . . . . . Neutralizing, characteristic

Non-Corrosive  
CONEG compliant  
Does not contain any HAP's.  
Does not contain any RCRA or SARA III.  
Non-ODP; does not contribute to Global Warming.

## DIRECTIONS FOR USE:

This product is intended for use in high pressure, linear atomizing systems. Primary application is in landfills and transfer stations. Normal use dilution range is one part to between 500 and 1,000 parts of water. Other dilutions may be applicable depending on operating conditions. Your field representative will supply further use instruction.

## HANDLING PRECAUTIONS:

### CAUTION - FIRST AID

**EYES:** Flush with water for at least 15 minutes. If irritation persists, obtain medical attention. **SKIN:** Wash with plenty of water for 15 minutes. If irritation occurs and persists, obtain medical attention. **INHALATION:** Remove from exposure. If discomfort occurs and persists, obtain medical attention. **INGESTION:** Drink water to dilute. Obtain medical advice by phone.

## KEEP OUT OF REACH OF CHILDREN

## PACKAGING:

5 gal plastic pail - 41 lbs net / 44 lbs gross  
55 gal plastic drum 473 lbs net / 490 lbs gross
