

SL-4000 WINTER MIX ODOR CONTROL WINTER MIX

Ncm odor control,

425 Whitehead Avenue
South River, NJ 08882
Phone—800-957-6543
Fax— 732-238-5590

GENERAL DESCRIPTION:

SL-4000 WINTER MIX is a naturally derived, concentrated odor control treatment, which is biologically engineered through micro vaporization to neutralize, absorb and eliminate malodors associated with municipal and industrial garbage, composts, sewage and sludge. SL-4000 is highly effective at low use dilutions offering optimum performance and minimal use cost. SL-4000 WINTER MIX is a unique formula of botanical extract, natural oils and emulsifiers; all ingredients have "GRAS" status, "generally recognized as safe." . SL-4000 WINTER MIX is biodegradable, non-hazardous, non-corrosive, and non-flammable. It contains proprietary inhibitors and dispersing agents for safe, effective use with NCM Odor Control systems; this also prevents damage to trucks, cars, equipment and ensures proper operation of NCM dispersing systems. Formulated for low temperature storage, use and handling

PROPERTIES:

Chemical composition Essential Oils & Botanicals, Emulsifiers and Stabilizers, proprietary neutralizer, fragrance.
Appearance Low viscosity liquid
pH 6.5 - 7.5
Specific Gravity 1.012 (8.4 lbs/gallon)
Foam Moderate, fast breaking
Cloud Point 125°F
For storage stability at elevated temperatures
Odor Neutralizing, characteristic

Non- Corrosive
CONEG compliant
Does not contain any HAP's.
Does not contain any RCRA or SARA III.
Non- ODP; does not contribute to Global Warming.

DIRECTIONS FOR USE:

This product is intended for use in high pressure, linear atomizing systems. Primary application is in landfills and transfer stations. Normal use dilution range is one part to between 500 and 1,500 parts of water. Other dilutions may be applicable depending on operating conditions. Your field representative will supply further use instruction.

HANDLING PRECAUTIONS:

CAUTION - FIRST AID

EYES: Flush with water for at least 15 minutes. If irritation persists, obtain medical attention. **SKIN:** Wash with plenty of water for 15 minutes. If irritation occurs and persists, obtain medical attention. **INHALATION:** Remove from exposure. If discomfort occurs and persists, obtain medical attention. **INGESTION:** Drink water to dilute. Obtain medical advice by phone.

KEEP OUT OF REACH OF CHILDREN

PACKAGING:

5 gal plastic pail - 41 lbs net / 44 lbs gross
55 gal plastic drum 473 lbs net / 490 lbs gross
